Open Plan Living at its Finest

If you are looking for Wagga's cheapest block of land, then look no further! Situated in Ashmont, just a short walk from shops, schools and public transport, 28 Bardia St is ready for you to move in.*

This well maintained 582m2 block has a lot of potential. Its flat, has utilities ready to be connected and comes sans house, which means no demolition required.

If you are ready to own your own, vacant, piece of land, give me a call today and organise an inspection (or just drive on by yourself.)

*note: Building materials, tools and some assembly required.
