OFFERING LARGE POWERED SHED/WORKSHOP

This home is neat as a pin and offers comfortable quiet living. Offering 3 bedrooms, the main is oversized and would fit a king sized bed with large built in robes, there are built in robes to the other 2 rooms also. The entry/hall flows nicely offering ample storage space with 6 storage cupboards/robes. Large L shaped lounge and separate dining, offers large light filled window to the front with evap cooling, LG reverse cycle and gas bayonet point enabled. The updated kitchen has good bench and cupboard space with a large electric cooktop and separate wall mounted oven. The tidy bathroom has a separate bath and shower, and the toilet is separate also. Externally there is a double length carport with gates for security, following out to a large double door garage/workshop/shed which is powered perfect for secure storage or make it a mancave for your toys etc, Low maintenance easy care yards situated in a quiet street and overlooking a gorgeous play park for the kids.
