This complex of 3 units is located in the popular growth suburb of Koorringal.

Cleverly designed & constructed with low ongoing maintenance costs in mind, with strong and long-wearing terracotta roof tiles, all internal walls are full brick making it near impossible to get knocked around and cuts back on any painting costs.

All units have recently installed reverse cycle split systems, built ins to all bedrooms and private fenced courtyards.

2 units have internal access single garages & the other has a large gated carport.

Unit 1: 2 bedroom, leased out at \$220 per week, lease expiry 18/01/2021.
